## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Creative Commons  
Palo Alto, California

We have audited the accompanying statement of financial position of Creative Commons (a nonprofit California corporation) as of December 31, 2002, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Creative Commons as of December 31, 2002, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**CREATIVE COMMONS**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2002**

---

**NOTE 1: NATURE OF ACTIVITIES**

Creative Commons (the Organization) is a California nonprofit public benefit corporation devoted to expanding the range of creative work available for others to build upon and share.

**NOTE 2: SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

**Basis of Presentation**

The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The Organization has no permanently restricted net assets.

**Revenue Recognition**

Contributions are recognized as revenue when received or unconditionally promised. Contributions are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions.

All donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

**Income Taxes**

The Internal Revenue Service and the California Franchise Tax Board have determined that the Organization is exempt from federal and state income taxes under Internal Revenue Code Section 501 (c) (3) and the California Revenue and Taxation Code Section 23701(d).

**Donated Services**

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2002

---

**Cash and Equivalents**

For purposes of the statement of cash flows, the Organization considers all cash and other highly liquid investments with maturities of three months or less to be cash equivalents.

**Property and Equipment**

All acquisitions of property and equipment in excess of \$1,000 and all expenditures for repairs and maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Property and equipment are stated at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives on the property and equipment.

**Functional Allocation of Expenses**

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

**NOTE 3: GRANTS RECEIVABLE**

Contributions receivable consist of a single multi-year grant.

**NOTE 4: PROPERTY AND EQUIPMENT**

Property and equipment at December 31, 2002 consist of the following:

Computers	\$ 8,394
Less accumulated depreciation	<u>( 1,808)</u>
Total	<u>\$ 6,586</u>

**NOTE 5: CONCENTRATION OF CREDIT RISK**

**Cash**

The Organization maintains deposits in excess of federally insured limits. Statement of Financial Accounting Standards No. 105 identifies these items as concentration of credit risk requiring disclosure regardless of the degree of risk. The risk is managed by maintaining all deposits in high quality financial institutions.

**Revenue and Receivables**

During the year ended December 31, 2002, the Organization received 60% of its income from a single donor. Total grants receivable at December 31, 2002 were from the aforementioned source.

**NOTE 6: TEMPORARILY RESTRICTED NET ASSETS**

Temporarily restricted net assets are available for the two years ending December 31, 2004.

Temporarily restricted net assets were released from donor restriction over the passage of time.
